## *Specialties & Catering*

Born in New York, Anthony grew up in Belmar attending St. Rose grammar school and high school. His love for good food and outgoing personality came from his mother, who lost her battle to cancer at the young age of 58.

Anthony took this love for food and opened and ran his first deli in Bayonne for five years. When the opportunity arose he sold his deli to return to Belmar. In honor of his mother, Anthony opened Ma's Italian Specialties where he brings his passion for delicious, new, and different food to the town he loves.
